# About Us

Living Stone Ranch is a licensed residential and day services provider.

## What makes us unique

Many families find it is difficult to find placement for adults with developmental disabilities. Living Stone Ranch provides a work, living situation, and lifestyle that is faith-based and in a rural setting. Our location allows us to be within a one-hour drive of Topeka, Manhattan, and Atchison.

Family is an important part of life, which is why at Living Stone Ranch we believe in fostering close family ties and forming new bonds of friendship and support.

---

*“As you come to Him, **the living stone**  
—rejected by men but chosen  
by God and precious to Him—  
you also, like living stones, are being  
built into a spiritual house to be a  
holy priesthood, offering spiritual  
sacrifices acceptable to God through  
Jesus Christ.”*

*1 Peter 2:4-5 (NIV)*
